# PEACEABILITY

**Empowering peace through practical skills, dialogue and action**

**French NGO · Strasbourg · Founded 2026**

## OUR MISSION

Building practical capacities for peace, dialogue and conflict transformation.

### WHAT WE DO

- Peace skills
- Dialogue and mediation
- Conflict transformation
- Individual responsibility for peace
- Intercultural dialogue
- Workshops and public events
- Cooperation between civil society, institutions and professionals

### INTERNATIONAL DIMENSION

PeaceAbility is rooted in Strasbourg and connected to a wider European and international environment, with a focus on cooperation across France, Germany and the EU and with international networks.

### RECENT ACTIVITIES

PeaceAbility's 2026 Peace Day in Strasbourg brought participants together around practical action for peace, with workshops on concrete actions for peace and social therapy, followed by discussion and Q&A.

### WHO WE WORK WITH

· Young people · International organisations · Diplomats · Associations

## 2026/27 INTERNATIONAL PROJECT — PEACE SKILLS FOR DIALOGUE & ACTION

PeaceAbility aims to develop and scale a practical programme that helps individuals and organisations strengthen peace skills, dialogue and constructive responses to conflict. The ambition is to connect local learning with European and international partnerships, making practical peacebuilding tools more accessible across borders.
